1. [REDACTED] was the head of [REDACTED]. He is reported to have absconded with about \$150,000 and to have left the country. I did not see the story but this has been in recent months.

2. General Donovan called me yesterday to say that he had heard it rumored that [REDACTED] had something to do with us. He did not believe these rumors but he thought we would want to look into this. I can get more information on the case if you need it but back files of the [REDACTED] papers would probably have the most complete stories.
